

Auction Rules & Procedures

The patented **AuctionStar**[®] system will be used to manage the Silent Auction bidding and invoicing.

- The Silent Auction will be held on February 10, 2017 at Norris Center - Red Oak Ballroom, between 10:30 AM and 12:15 PM.
- There will be no Live or Big Board Auctions.
- Checkout will begin at approximately 1:30 PM.

Check-in Procedures

- Pre-registered guests must check in at arrival and obtain their personalized bid packet with a set of small Bid Labels (adhesive stickers) bearing the bidders name and bidder number, personal nametags and an Auction Catalog listing the auction items available for bidding.
- Unregistered guests must check in at arrival to obtain a personal bidder number and an anonymous bid packet (above).
- Couples will in general be assigned a joint bidder number, and receive a single bid packet.
- A bidder's assigned bidder number is unique, serving as identification throughout the auction proceedings.
- **NOTE:** Bid Labels represent money! **DON'T LOSE YOURS!**
- At check-in time, each bidder will have the option of having their credit card swiped at an **AuctionStar**[®] computer, thereby earning **EXPRESS** checkout treatment- a signature and you will be on your way!
- No credit card charges will be posted during the event, and none will be made without a signature. Even after pre-scanning a credit card, you may pay with cash or check instead.
- All credit card information will be erased from the **AuctionStar**[®] computers when charges have been placed.

Auction Rules & Procedures

Silent Auction Rules

- You make a bid by affixing a Bid Label on a bid sheet located next to a Silent Auction item. The price appearing next to your Bid Label constitutes the price you are committing to pay for the item in case no higher bid is made at a later time.
- Preprinted prices must not be modified, crossed out, or otherwise altered. All bid sheets will be machine read-any hand-writing will go unnoticed or be ignored.
- Affixing a Bid Label is equivalent to signing a contract: All sales are final, and items are sold "As Is". There will be no refunds or exchanges.
- Bid sheets featuring a "Buy It Now" option can be won without contest by affixing a Bid Label in the designated slot and giving the bid sheet to an auction official.
- **Other than a possible Buy-It-Now price, there is NO UPPER LIMIT for your bids!** If the bid sheet is full, another one will soon be printed with higher bid options. If time is short, staggering bid labels on the final slot on a sheet is legal; each new bid label represents an increase of the fixed raise amount.
- For fixed-price "Sign-up" items each bid label affixed constitutes a contract to buy one unit of the item at the price printed in the bid slot. Bids placed below the preprinted boxes will be recorded onto a waitlist.
- Bidding is legal as long as a bid sheet remains on the table and/or next to an item, **even if the closing has been announced!**
- The highest bid present at the time of a bid sheet's removal shall constitute the winning bid.

Checkout Procedures and Considerations

- Before standing in line, consult the posted Winner List to see if you are a winner.
- Winners who pre-swiped a credit card should look for a PRE-SWIPE sign to find their invoice, the others for a sign displaying NOT PRE-SWIPE.
- Item and certificate pickup instructions will be given when the invoice is obtained.
- Your invoice will normally itemize item descriptions, prices paid, fair market value assessments, plus a copy of IRS guide lines for tax deduction. It is your responsibility to properly handle all tax deduction issues. Consult your tax advisor if no fair market value is shown.
- Someone buying an auction item may incur a tax liability for either the whole purchase amount or a part thereof. Such local sales tax, if any, will be added to the invoice.
- The buyer waives any claims for liabilities against either First Junior Woman's Club or the donor of the respective item or service, neither of which is responsible for any personal injury or damage to property that may result from the use of the item or service sold.
- Items not picked up after the close of the auction will be available at Meredith Lamberton 713-302-9888.
- In the event of a dispute, an auction official shall act as the final authority and determine the final winner and price of the item in dispute.

\$50 Houston Dairymaids Gift Card

Donated By: Houston Dairymaids

Cheese, Please!!

After primarily selling to wholesale since 2007, Dairymaids officially opened their Heights shop to the public full-time in February of 2012. Each day that Dairymaids is open they offer a free tasting of six cheeses. The free cheese sample selection covers a range of styles, milks, and origins and acts as an introduction to their collection of over 150 cheeses. Dairymaids features mostly American-made cheeses, and highlight Texas cheeses. Occasionally they sneak in an imported cheese they can't resist. They cut and wrap cheese fresh to your specifications.

To complement the cheeses, Dairymaids carry fresh bread from Slow Dough Bakery, honey, olives, American-made salami and other cheese accompaniments. They also have a great selection of cheese-friendly wines and beer. On Wino Wednesdays, they pair a wine or beer with the cheese tasting and offer 10% off all purchases of alcohol. They usually sample wine or beer on Saturday too.
