**Board Reports:**

**Melinda Hickey, Karen Alexander, Terri Stroube, 2<sup>nd</sup> VPs- Ways and Means**

Melinda Hickey reported the auction donations are coming in. The shopping committee shopped at the 'Sale' over the weekend and found lots of great items. She asked that everyone please get their cash or donated items into her by this weekend. Melinda stated she is currently entering descriptions of donated items into BidPal.

Karen Alexander then explained registering using the BidPal app and distributed a handout on it.

Karen reported that they purchased sapphire and diamond earrings for the raffle drawing. She stated that once members register in BidPal, they can buy raffle tickets right away. On the day of the auction, guests will be able to swipe their credit cards and be ready to shop. When registering, once a member has entered their information and their guests' information, it cannot be edited. Please contact Diane Fishman if changes are needed and she can take care of it. It was also stated that members do not have to have the app for BidPal; once registered they will be able to see all the auction items.

Diane Fishman asked that everyone please let her know if they are not coming to the auction so she can adjust the number of meals with the event venue.
